**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My choices were slow DSL or expensive and shoddy Comcast, a company consistently rated one of the worst for customers.

Sonic has been a breath of fresh air. High speed internet, quality service, excellent customer support, and affordable pricing.

We need the Sonic type companies to be able to exist, grow, and thrive. Dont do things to jeopardize the ability for new companies to form and compete with the incumbents.
